FOR WEDDING PLANNERS IN THE KAWARTHAS

A photographer in your back pocket, not another vendor to manage.

I'm Evan Aube, a Kawartha Lakes photographer working with
couples and brands across the region, the one you already trust
before a couple ever asks.

What's in It for You

- ✓ **A referral thank you**
Something we work out together, whatever fits your business best.
- ✓ **An annual headshot session**
Complimentary, every year: a fresh brand photo for your site and
Instagram, on me.
- ✓ **First look at styled shoots**
Content I shoot in your area, yours to share with your following first.

Three Steps, Start to Finish

Meet	Refer	Get thanked
A short call or coffee, since I'm not far from Lindsay or Peterborough.	Send a couple, venue, or vendor my way, whenever it fits.	Happens automatically after each booking, no invoice needed.

*“Local when it matters, well traveled when it
shows.”*

Based in Kawartha Lakes, shooting
regularly across Peterborough,
Durham, Barrie, and Orillia.

Costa Rica, the Azores, Morocco,
and Peru shape how I shoot, plus
registered drone coverage.
